MY HOPE

SONG

I

I do not crave for wealth or power supreme,
I do not grieve, and think what might have been;
I do not envy those ot high degree,
Though poor I be.

II

My aim is just to play life's humble part,
Doing my best and with a thankful heart;
Looking to God, my guardian and my friend
Unto the end.

III

When my small part is finished here on earth,
I pray God judge me at its proper worth;
Granting to me, if I have lived aright,
A CROWN OF LIGHT.
